REDWOOD GATE HOLDINGS

CAPABILITY STATEMENT
SMALL BUSINESS · SAM.GOV REGISTERED
DALLAS–FORT WORTH, TEXAS

Software built by people who have run the *field*.

Redwood Gate Holdings LLC is a Texas small business delivering custom software, AI and workflow automation, and data solutions. We build and operate working products of our own, and we are led by a national quality control manager with 20+ years in the field.

CORE COMPETENCIES

Custom software development
Full-stack applications designed, built and maintained in-house.

AI and workflow automation
Agents and automations that take repeat work off your staff.

Web and mobile applications
Production apps for web, iPhone and Android, including offline field use.

Data analytics and reporting
Dashboards and scheduled reports built on your data.

Construction quality and accessibility tooling
Inspection software for building quality control and accessibility requirements.

DIFFERENTIATORS

Field-tested domain expertise.
Quality control leadership informs every inspection and reporting workflow we build.

Modern cloud stack.
Managed infrastructure and standard, well-supported tools that are easy to hand over.

Bilingual delivery.
English and Spanish for products, documentation and training.

Working products in use.
We build, ship and operate software of our own.
